MOTION TO UPDATE RATE CASE EXPENSES

Blackstone Gas Company files this Motion to Update Rate Case Expenses in accordance with the Department's Rules of Procedure 220 CMR 1.04(5) and 1.11(7) and (8) to update rate case expenses.

The Company submits that there is good cause to reopen the record to allow the updating of rate case expenses because the Attorney General raised many issues for the first time in his Brief after the close of the hearing which have caused rate case expenses to increase significantly. Failure to accept the update would deny the Company a reasonable opportunity to recover actual rate case expenses.

Respectfully submitted,

BLACKSTONE GAS COMPANY
